

“In him was life; and the life was the light of men.” (Jn.1:4)

Our **PHYSICAL LIFE** comes from God through the Lord Jesus

SPIRITUAL LIGHT

- Dual meaning: (1) points back to Creation; (2) points forward to the salvation Jesus brings.
- This Light (of life) gives purpose and direction to the life.
- This light is not static like a lighthouse and cannot be ignored like a stop light.
- This Light (of life) grows and expands
- This Light (of life) begets offspring. “Believe in the light, that ye may be the children of light” (Jn.12:36).
- We are to reflect His light (Mt.5:14-16). We are not the light, much like the moon merely reflects the sun's light.
- No man can come into the spiritual light of Jesus Christ, unless he is enabled (Jn.6:37).
